## Parking in the West Haymarket

A vote on the Lincoln Haymarket Arena is slated to be part of the State Primary Election ballot on May 11, 2010. The project as proposed has been developed through an extensive process of community engagement, study and taskforce research. If approved by the voters in May, a new development in the area west of the current Haymarket will become the home to:

- 16,000 seat arena (w/ UN-L basketball as the anchor tenant)
- Breslow Ice Center
- Public Gathering Space
- Festival Space
- 200-room Hotel
- New places to eat and shop
- 100 apartments and condos

The project also includes parking and infrastructure to support these new uses. A comprehensive West Haymarket and Haymarket Parking Study were conducted to assist the development team as they prepared their financial assumptions for the project. Based on design assumptions, the Parking Study indicates the following total stall demand by land-use to be:

- 5,120 arena stalls
- 975 mixed-use development stalls
- 300 ice rink stalls

Based on the parking study, the project includes three Parking Garages near the Arena:

- The first is attached to the arena and will hold 540 cars.
- The other two Garages will hold approximately 1,800 cars (900 each).

They will face the back bone road and will allow easy entrance on arena event days. The project also includes:

- 1,500 stall of surface parking north of the arena. A pedestrian walkway over the railroad tracks will connect the parking lot to the north side of the arena.
- Surface parking south of the Ice Center has 400 to 600 parking stalls. The variance is based on when an upper deck will be placed on the lot.

In all, over 4300 new stalls will be created by the new project and a total 7,100 on and off street parking stalls will be available within walking distance of the Arena.

Early voting begins April 5th. Contact the Election Commissioner at 441-7311 to request to Vote by Mail or register to vote.

about yourself and what's on your mind.

## The Bikes are Back

With winter on its way out and spring fast approaching, be prepared to share the road. Bicyclists will be circling the streets before you know it and that means taking extra precautions while driving downtown. Bike lanes are for the exclusive use of bicyclists. Motor vehicles may cross over the bike lane to move into another lane, enter or exit an on-street parking space or facility. Motorists are not to use the bike lanes for continuous travel down the street.

For those who plan on taking up the occasional bike ride to work, remember to ask about our bicycle storage corral. It is a secure gated enclosure located in the Center Park Garage. There is a small monthly charge, but no charge if you have monthly vehicle parking.

For more information about our bike corral or Lincoln's bicycle ordinances, log on to [lincoln.ne.gov](http://lincoln.ne.gov), and click on "Public Parking."

## NATIONAL Ride Your Bike to Work Day

**MAY  
21**

### Four Reasons to Ride:

1. You'll Save Money
2. It Reduces Traffic Congestion
3. It's Good for the Environment
4. It's Fun and Reduces Stress

## HAYMARKET PARKING SPECIALS

With the Haymarket Farmer's Market just around the corner and the Lincoln Saltdogs stepping up to the plate, don't miss out on our weekly parking specials while you browse for fresh produce and sit back to catch fly balls and hotdogs. Visit our Web site for more information.

## We are getting ready for the upcoming RED/WHITE SPRING HUSKER GAME

**Saturday, April 17, 2010**

Weekend Season Parking passes and Individual Game passes are available on-line! Reserving your parking ahead of time guarantees you a parking space.

Go on-line and check out our prices for Season Parking Passes. To get your on-line reserved parking, go to [parkitdowntown.org](http://parkitdowntown.org)

Call **441-6472**  
for more  
information.

## SPRING CLEANING TIME!

We ask for your patience and cooperation while we clean the garages this spring. Please watch for cones and slippery areas.
